Lecturing in English

Are you a lecturer in higher education who teaches or supervises students in English? Would you like to improve your English to make your work easier and give you more confidence? Then our Lecturing in English workshop will be just the ticket.

What will you learn?

You'll expand your vocabulary and improve your general language proficiency, enabling you to speak and write with greater nuance and variety.

Programme

- What's the best structure for your message in English?
- Which transitional words and phrases are useful in English?
- How do you deal with questions?
- How do you lead a worthwhile and constructive discussion in English?
- How can you improve your fluency and pronunciation?
- How do conventions of politeness differ between Dutch and English?
- How can you use visual aids in your lectures?
- How can you improve your intelligibility?

Who is it for?

Anyone who speaks English from time to time in a business context with expats or with other international business contacts.

Dates & location

The workshop can be taken in-company or as individual lessons for one or two people. The dates and location will be decided in consultation with you.

Fees

The exact cost for a private or in-company workshop will depend on your specific needs and the size of the group. Would you like to know more? Just call us on 020 - 598 64 20. We will be happy to make an appointment with you for a free consultation without any obligation.
